Announcements

1. Steff is stepping down as Associate Director of Undergraduate Studies and Krissy will be taking over that portion of her responsibilities. Krissy will remain Director of CEETP as that is 75% of her role. She will be removing teaching and some residency work, so she will have 62.5% director work and 37.5% associate director work.
2. Student Teaching Accommodations – We met with DSS who helped us understand that the accommodations students have for class don't necessarily apply when the students go into the field. They will provide us with documentation that we will present to UCTE in the fall.

New Business

1. Multiple Measures (Tory)
 - Tory discussed multiple measures policy which was designed for students who cannot pass the Praxis II tests. Many of our programs have a 100% pass rate with the lowest being 79%. Tory reviewed the guidelines from the website. There are three options: micro credential, complete performance assessment, and complete residency program. Tory recommended a few changes to the institutional recommendation policy.
 - Suggested to review webpages so we are conveying the same message.
 - Suggested if we cannot have students complete Praxis Core tests. Unfortunately, it is a state requirement. They can qualify with qualifying SAT or ACT scores, but with UD being a no test admission, that might not apply.
2. UCTE members – we need two secondary members to Join Fall 2024. **ACTION: Trish and Suzanne will send names to Debbie by end of June.**
